Academy Horse is defined as a horse of any breed that is regularly used in a professionally operated lesson program. An academy horse may be privately owned, however, in addition to being used in the lesson program, someone other than the horses' owner must also show it in competition. The Academy horse must display safe manners and characteristics desired of a lesson horse. A plain shod horse is required, one pad and/or therapeutic wedge is allowed. Desired is a clean, well turned out horse, hoof blacking is optional, and braiding is only allowed in the hunt seat classes. Horses are not to be judged; way of going is not to be considered.

Tack: Horses are to be tacked according to the division the rider is competing in. Instructors are encouraged to bridle their horses in a safe manner; tie downs, standing martingales or blinkers are not allowed.

Attire: *For the Saddle Seat Rider:* Jodpurs, jodpur or paddock boots, long sleeve, button down or collared shirt, tie and gloves are required. Vests are optional, no derbies allowed. *For the Hunt Seat Rider:* breeches and an appropriate hunt seat shirt, hunt boots or paddock boots and gloves are required. "Polo" shirts are not allowed. *For the Western Rider:* appropriate western shirt, pants, tie, boots and gloves are required. Chaps or western hats are not allowed. *For riders under 18 yrs of age, safety helmets are mandatory. For riders over 18, safety helmets are optional, but strongly encouraged.*

Class Rules: Headers are allowed in if needed for safety, no whips or towels allowed in the show ring. Classes will be split at the 13th rider; splits will be shuffled to keep Equitation and Showmanship back to back for each age group. Class holds will be two (2) minutes in length. **NO EXCEPTIONS. Equitation classes** are judged on the riders' basic equitation skills with correct diagonals and leads to be counted; proper use of the show ring is to be considered.

Showmanship classes are judged on the rider's horsemanship abilities. They are judged on a rider's ability to control and show their horse, including speed, collectiveness and placement in the ring. In canter classes, promptness in finding the correct lead is important as well as the rider's command of the horse.
